REGIONAL FACTSHEET

NORTHERN IRELAND

Northern Ireland Hiring Outlook Remains Strong

MARKET OVERVIEW

Employers in Northern Ireland anticipate a strong labour market in the April – June period, reporting a Net Employment Outlook of +32%. Hiring intentions decrease 1 percentage-point on last quarter. Hiring intentions increase 33 percentage-points on Q2 2021.

The Northern Ireland labour market is going from strength to strength. New opportunities have started to increase since the relaxation of COVID restrictions. Many new businesses are using Northern Ireland as a key location, partly due to its unique position of having a frictionless border with an EU country.
